DEDICATION

MR. R. CURTIS McKEE

You have inspired us; you have stimulated in us a sense of intellectual independence; you have instructed us with insight. We love and admire you for your dry discerning wit. You have not touched upon the trivial; you have been sensitive and realistic. To fairness, to individuality, to humor, to you, Mr. McKee, the Class of 1960 dedicates this book.

ADVERTISEMENTS

We must not refer to our faculty as mere teachers, for they have all proven to be our friends. It is said that, "teaching is the act of giving instructions to others." The faculty of Lawrence High School has not only taught us our school lessons, but have instructed us on how to be better citizens of the future. Thanks to their guidance we now feel that we are capable of being the leaders of tomorrow.

Throughout our high school careers, we have found that not only a current of school spirit prevails, but also an everlasting memory of experiences, good times, knowledge, and a basic preparation for life.

Although we leave Lawrence High, we will never forget the memorable moments we have spent together as a class. To our teachers we are grateful for the guidance and knowledge they have given us.

We may never meet again, yet each of us will always be a part of an exclusive group—the class of '60.

MESSAGE

from our principal

I have a strong feeling that the graduates of 1960 are going into a world of rapid changes, more so than ever before. Science has contributed much to these changes. Outer space is being challenged by the advances made in science. The unknown of a few years ago is being explored, studied and understood today. The future is exciting just to think about. The graduates of today will be part of this challenging future. They will have a part in the changes that must come. These opportunities of the future are things that don't just happen. They are the result of a long process of development and of the dedication of many people to many different kinds of work and ideas. They are the contributions of men who had the infinite wisdom to see in our way of life these opportunities of today. I would stress that the accomplishments of the past are the foundations of the future. One of the first obligations that a citizen has, and one being challenged today, is democracy. The challenge to preserve it must be met by our young people. They must sustain the right to a free life to keep this country of ours free from selfish interests, and free from the doctrines of Communism or any other "ism" that would take away this priceless possession, democracy.

Your diploma is a symbol of what democracy stands for—the rights of people to pursue that which they have an aptitude for and an interest in. It is a symbol of the confidence that we have in you. It is a symbol of democracy—the right to a free life. Go forward with the future, but never forget that the future is built on the strong foundation of Liberty, Justice and the American Way of Life.

. . . . meet the challenge

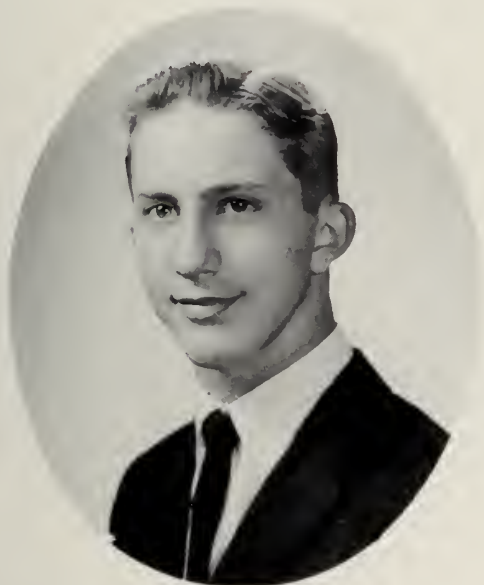

Mr. Russell B. Marshall

Hymn of Loyalty

O Lawrence High, we offer tribute to thee,
Mentor and Guide, who led us on our way.
Hold high the torch that lights us to our duty;
We shall not falter when from thee we stray.
O Lawrence High School, whate'er betide,
We still shall deem thee our Mentor and our Guide.

O Lawrence High, thine ancient mission serving,
Create in us a spirit ringing true;
Teach us to walk life's pathway still unswerving,
Ready to meet life's problems, old and new.
We shall be loyal, O Lawrence High,
We shall be striving to keep thy banner high.

Class Ode

by Joanne E. Hall

I

Farewell, our own dear Lawrence,
To our classmates fond and true,
To our teachers kind and helpful,
We will sing good-by to you.

III

We will praise you and salute you
until eternity!
The ideals bright that you impart
shall guide us constantly,

II

Not that we'll e'er forget thee,
Or the lessons you have taught—
And the happy hours we spent
there,
Of our lives will be a part.

IV

On the threshold of our future
Midst the friendships tried and
true;
Farewell—our own dear Lawrence,
We have sung our grand adieu.
LAWRENCE HIGH.

Officers of the Junior class are as follows: seated, l. to r.: Marcia LeBlanc, Girls' Social Chairman; Betsy Carlson, Secretary; Diane Sawyer, Treasurer. Standing, l. to r.: Phil Motta, Boys' Social Chairman; William MacDonald, President, Jerry Issokson, Vice-President.

THE JUNIOR CLASS

The Junior class was led by William MacDonald, who has been President three years in a row. Their first major project of the year was the Snowball, in which they carried through the theme "Xanadu". With Ralph Stewart's orchestra providing danceable music, the affair was well attended. The musicians selected as queen Virginia Griffin, who, with her escort James Sylvia, led the grand march to the cafeteria for refreshments.

In February the class sponsored a girls'-boys' basketball game, with the intent of raising money for the Junior-Senior Prom. The boys' varsity and girls' varsity teams fought a hard battle, but at the end of the fourth quarter could not break a tie. The junior boys were swiftly overcome by the girls, as the latter won the game by a whole point. The profits were put into the Prom, which was held in June, and which was decorated in an underwater motif.

THE JUNIORS

The shining knights of the Senior class proceed to eliminate another of the lowly and rebellious Juniors.

You can't keep a good bird down.

THE SOPHOMORE CLASS

In the last few years the Sophomore classes have found the tenth year to be their most active. The class of 1962 was no exception.

Chivalry week found the boys attending to every wish of their female classmates. For not cooperating with the girls, the boys were forced to perform, at the Chivalry Dance, such acts of disgrace as the Can-Can.

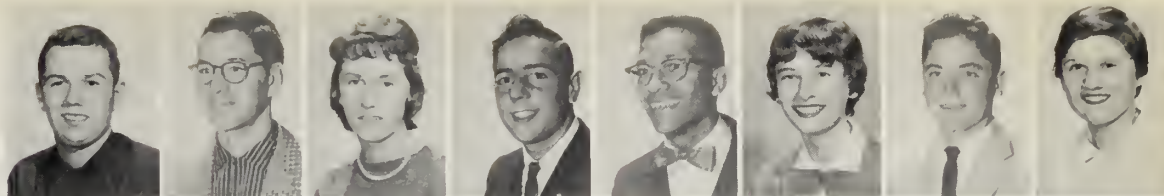

When Sadie Hawkins time came around the boys were able to retaliate, especially by locking them up in the stocks at the Sadie Hawkins dance. The Bean Supper proved to be quite successful and the Sophomores now proudly flash their class rings.

FRESHMAN CLASS OFFICERS

THE FRESHMAN CLASS

Last year many students filled nervously to the stage to give their speeches for class officers. Among these, six were chosen:

President	Mike Finnell
Vice President	Todd Merrill
Secretary	Joan Nutt
Treasurer	Diane Smith
Boy's Social Chairman	Joe Ingram
Girl's Social Chairman	Derna Grenga

Those of our class that did a wonderful job in representing us on the Student Council were Ed Mello, Senator, and Beverly Burwell and Brad Moses, Representatives. These students had the privilege of attending the annual fall and spring conventions.

Soon after the Minstrel Show, the Freshman-Sophomore Prom, with decorations was the most exciting occasion of the year.

Now that we've finished our Freshman year we are eagerly awaiting our Sophomore experiences.

As Seniors, we have achieved the ultimate in secondary learning and preparation. During our years at Lawrence High we have laughed and labored; dared and feared; accomplished and failed; all these things helping to round out our individual personalities and shape our futures.

As we come to the end of our green years, we must make the decisions which will determine the course our future lives will take. There will be no turning around in mid-stream after our decisions have been made, whether the path is difficult or easy. We are awed and frightened over this startling fact; however, we are equipped for it and determined not to fail. We are at last ready and anxious to expose ourselves to the outside world.

Senior Features

SMYTHE HONOR ROLL

SUSAN ANDREA McGILVARY

Susan was chosen one of the most popular participants in the activities of her class. She was class Secretary in both her Junior and Senior years. She was a cheerleader for four years and was co-captain as a Senior. Also in her busy Senior year she was a Student Council Senator and our D. A. R. representative. Sue was also a member of the Honor Society and the Daisy Chain.

The Class of 1960 is certain that Sue will prove worthy of this honor bestowed upon her.

CHARLES SMITH

Charlie's excellent work has certainly earned him this honor. In his Junior year he was President of his class and a Boy's State delegate. In his active Senior year he was Treasurer of Student Council, acted in the class play, and was Business Staff co-editor of the Lawrencian. A member of the Honor Society for three years, Charlie was Vice-President as a Senior.

The past indicates a bright future for Charlie. The Class of 1960 wishes him the greatest success in his chosen field of engineering.

BABE RUTH AWARD

LEE PATRICIA GADDIS

Outstanding in sports and reliable in all activities describes Lee Gaddis, this year's Babe Ruth Award winner. She played four years of varsity basketball and was Captain in her Junior and Senior years. She played on the softball team for three years, was in the pep squad and was an active member of the Look-out club. Besides her sports she was active in many other activities. Lee plans to go to college where she will most certainly succeed.

ROBERT WAYNE VAN HAM

Wayne was chosen by his classmates for his sportsmanship and leadership abilities, both on and off the field. He played four years of football and was co-captain of the team as a Senior. He was on the basketball and baseball teams for three years, and was a member of the gymnastics team. Wayne plans to go on to college next year, and with the fine qualities of leadership he possesses, he will most certainly be a success.

Freshman Year

This was the first of four eventful years at L.H.S. We made our first impression upon the school in our Minstrel Show. The endmen were riotous and our one and only feminine interlocutor, Lucy McCartan, did a great job. The specialty acts were also a great hit. We also sponsored our first dance, the Freshman Prom, "Portrait of Dreams". The gym was decorated with fish nets and gaily colored pallets. Con Coppi supplied the music and our beautiful queen was Pat Motte.

Sophomore Year

We had now made our mark in L.H.S. society. Our first big event was the Bean Supper. The food was delicious and the specialty acts, especially Art Rabesa's comic routine on the trampoline, were very funny. Then came TWIRP week and the Sadie Hawkins Dance when, for once in their lives, the girls had to do some work for and spend some money on the stronger sex. The final great event of the year was the purchasing of class rings.

Junior Year

This year brought up our two most important social events: the Snowball, "Interlude on Ice", and the Junior-Senior Prom, "Sayonara". For the Snowball, the gym was decorated in a snowy, wintry scene. Music was by Ken Reeves and Judy Parent and Bill Buckley were the royal couple. An oriental theme was used for the Prom, utilizing Japanese lanterns, torii, and oriental patios. This atmosphere was enhanced by the music of Bob Adams. And who can forget those aching muscles from our Workday?

Remembering

Leave my house alone.

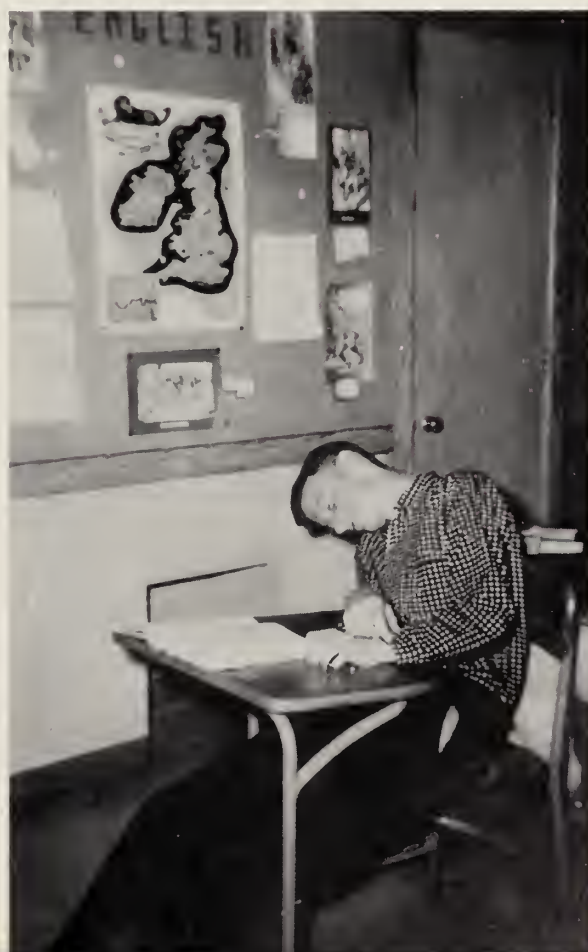

The Goddess of Grab!

Sophomore boys! Train your women young.

I did not watch Jack Paar last night!

SENIOR NATIONAL HONOR SOCIETY

Because of the wonderful and generous assistance offered by Col. Tow, advisor, the National Honor Society was able to establish in Lawrence High School an active program of Loyalty, Honor, and Service during the 1960 year.

These students, chosen for their scholarship, citizenship, character, and loyalty, are paid recognition in this organization.

Girls pictured are, from l. to r.: Michal Jamison, Martha Tavares, Janice Parent, Priscilla Poole, and Sheila Kahler. Boys, from l. to r. are: Theodore Benttinen and Charles Smith.

Staff editors discuss layout of yearbook.

Pictured are John Souza, Literary Co-editor; Susan Amaral, Co-editor; Jack Ciccolo, Business Co-editor; Teddy Robbins, Sales Manager; Kathy Merrick, Art Editor; Kathleen Costa (stated), Literary Co-editor; and Judith Carlson, Associate Editor.

Although the Lawrencian was late in being published this year, it boasted more photographic coverage than any other yearbook in previous years. The business staff, with advisor Mr. Thomas Desmond, met their quota of sales in a short time. Literary staff, with some exceptions, did the same. Editors-in-chief Lee Gaddis and Susan Amaral, with the staffs behind them, made many innovations in the book, and created an entirely new look.

Senior members of Journalism class who made the trip to the Press convention in New York were, from left to right: George Bigelow, Priscilla Bishop, Penny Regan, Susan Amaral, Lee Gaddis, Teddy Robbins, Sally Moses, and John Souza. Mr. Paul M. Wasseth, advisor, is also pictured.

STUDENT INTELLIGENCER

The staff of the Student Intelligencer this year consisted largely of Seniors, many of whom were Journalism students in previous years. With experience behind them, they were able to publish pages free from advertising.

Co-editors were Sue Amaral and Lee Gaddis, both veteran staff members. They, along with Mr. and Mrs. Wasseth and six other students, attended the CSPA convention, where the paper received the Medalist award in its particular class.

Intelligencer staff, Row 1, l. to r.: Judy Carlson, Elaine Costa, Susie Sylvia, Pris Bishop, Lee Gaddis, Pat Schrader, Mary Lou Faneuf. Row 2, l. to r.: Florence Morehouse, Barbara Vidal, Mimi Podgoursky, Penny Regan, Judy Hampton, Sally Moses, faculty advisor Paul M.

Lawrence High offers at least one activity for each individual to enjoy and participate in. Activities make our school life more pleasant and meaningful. The following pages disclose the students showing their ability in their own separate field.

The Key Club, a service group to the community and school, assisted in campaigning for the March of Dimes and Heart Fund Drive, as well as donating Christmas food baskets to the needy families in town. Major project for the year was the Student Directory, and school projects consisted of raising the school flag each day and selling cokes at the basketball preview. Advisors to the club are John P. Romiza and Dr. E. H. Fitch. Faculty advisor is Douglas Hunt.

The Key Club members take part in many civic affairs.

THE LOOKOUT CLUB

The girls enjoyed their weekly programs and participated in many activities which included: Country Fair, March of Dimes dance, a concert by the New England Conservatory of Music, the making of Christmas favors, donation of a television to the Massachusetts Hospital School, and assistance in the Falmouth Fancies.

The A Cappella Choir, under the direction of Mr. James A. Stevens, has been getting themselves in good vocal condition for graduation. They also entertained the servicemen at Otis during the Christmas season, and performed capably at the Annual Spring Music and Arts Festival. Members participated in both New England and Cape Cod Music Festivals.

PEP SQUAD AND BAND

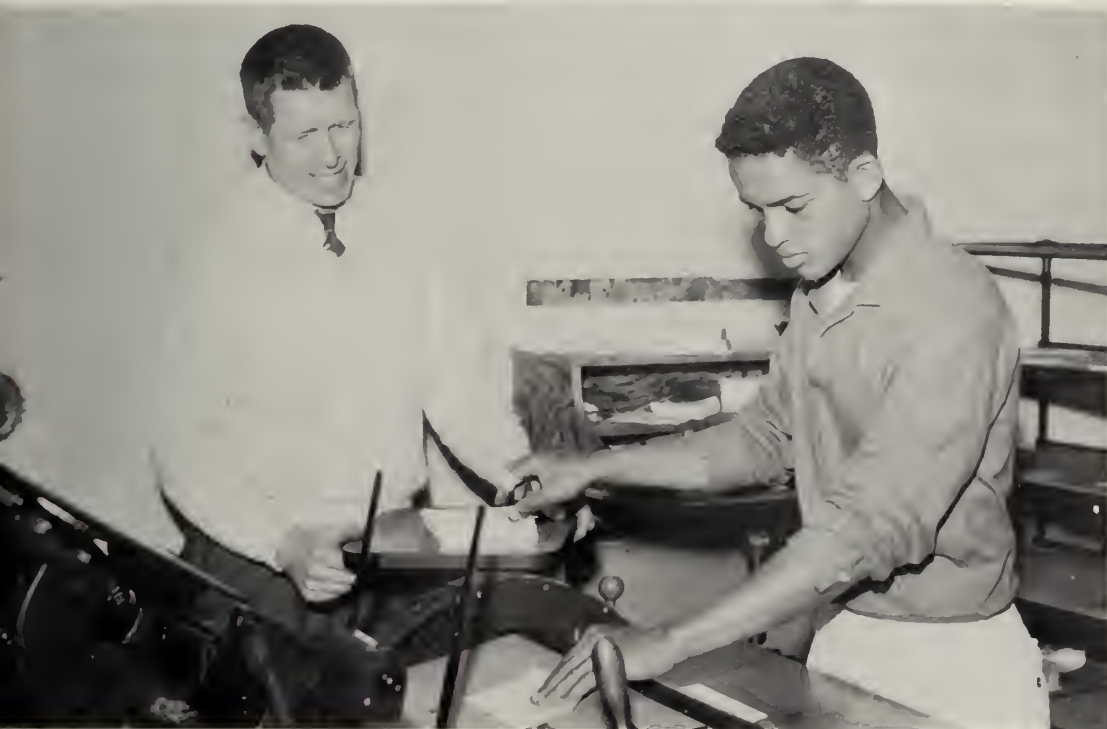

This year the Band, under the direction of Mr. James A. Stevens, was represented at the Cape Cod and New England Music Festivals. The band played for various town affairs, and presented an assembly with the Dennis-Yarmouth Band. The Pep Squad added spice to the football games, and displayed excellent marching ability.

The Band made many unique performances, none of which could ever be duplicated.

MODEL CONGRESS

David Graham, Betsy Miller, and Mike Cahoon made the Model Congress trip to Springfield along with Mary Lou Faneuf and Otis Porter who are not pictured.

Go! Like you've never gone before!

Boys, wouldn't you be in for it if the girls were really built like that?

The coaching staff at Lawrence High School, through their ability to teach wholesome sports and good sportsmanship to their athletes, have brought many championship teams to L. H. S.

The Football, Cross country, Golf and Baseball teams have earned honors for the school. These teams and other athletic groups have added thrills to their many loyal supporters.

Football L.H.S. 1959

The Lawrence High football team jumped from 10th place in class D to 10th place in class C this year. They compiled a 6-win, 2-loss, 1-tie record that is considered the best in many years at Lawrence. There were fourteen seniors on the squad that won the Cape Cod Championship for the second straight year. They all received arm patches for their jackets and the school received a trophy, which was symbolic of the team's championship play.

Girls' Basketball

This year's Girls Varsity Basketball team, coached by Miss Peggy Savage, won five games and lost eight. This was the best record for L. H. S. in many years. Most of the members of the Varsity teams were Seniors and were a great asset to the team. Those participating throughout their high school days were Lee Gaddis, Elaine Costa, Cynthia Neal, and Penny Poole, all as forwards. The guards were Dot Couto, Sally Sylvia, Michal Jamison, and Priscilla Bishop.

FRESHMAN BASKETBALL

Coach Kinney sure knows how to prepare the boys for years to come.

Throughout our four years of school, the businessmen and parents of our town have always gone out of their way to support all the activities which we have sponsored. Their aim was to set an example for us when we venture into the business world. Our thanks to them for making it possible for us to enjoy this yearbook.
